

Robertson Brothers, Here- The Robertson Brothe

So far away, time can take forever
I couldn't wait to be with you
I just wanted to be together
But now I am here
So don't worry bout the stormy weather (weather)
I'll never let you hurt again
From today until never

Missing emotion is over the ocean and love,
seems so far away
When affection is too much to mention
Don't cry, baby don't cry

Cause I am here
Watching the rain
Feeling your pain
So don't you cry
Just look in my eyes
And they'll tell you why
Cause I am here

Oh, yeah, oh

No one to blame
as your life floats like a feather
Baby tell me can I ease your pain
with a love that you cannot sever

Missing emotion is over the ocean and love
seems so far away
when affection is too much to mention
don't cry, baby don't cry

Cause I am here
watching the rain
Feeling your pain
so don't you cry,
just look in my eyes
And they'll tell you why

Fly,
if there is a way,
stay another day
And baby we'll try
If time can't decide we'll know it has tried,
Yeah, yeah

when missing emotion is over the ocean and love
seems so far away
When affection is too much to mention
Don't cry, baby don't cry

I'm here
watching the rain
and feeling your pain
so don't you cry
Just look in my eyes and they'll tell you why

La-lala-la, lala, la, laaaa

La-lala-la, lala, la, laaaa

Cause I am here watching the rain
and feeling your pain

So don't you cry
This love cannot die, no oh...no.
