Robin Bengtsson, I Can't Go On

I Can´t Go On
Gotta keep it together
Don't get me wrong
Don't get me wrong
'cause baby you make me better
Hey

'Cause just one look
Make me a shiver
I just wanna take you home
I wanna go
I wanna go
No girl you make me a believer
I wanna take off all my clothes
I wanna go
I wanna go
you make me a believer

I just can go on
When you look this freaking beautiful
Hands down to the floor, my love
And I'm doing whatever you want

I Can´t Go On
When you look this freaking beautiful
I Can´t Go On
When you look this freaking beautiful
