

# Robin Thicke, Everything I Can't Have

(Ladies and gentlemen, The Evolution of Robin Thicke)

I want a fresh girl  
I wanna drink my drink  
I wanna get high  
I can't have everything  
I wanna be rich  
Never work at all  
And sleep all day  
And I wanna see it all

Oh I want, I want everything  
I want everything I can't have

When the brandy hits my throat I go  
Da-da-da-da-da da-da-da da-da  
When I see the girls, those girls they make me go  
Da-da-da-da-da da-da-da da-da  
When I get a taste, a taste it makes me go  
Da-da-da-da-da da-da-da da-da  
And when that brandy hits my throat I go  
Da-da-da-da-da da-da-da da-da

I want a fresh girl  
From Dominica  
Maybe from Puerto Rico  
From Columbia  
Breakfast lunch and dinner  
I want it all the time  
Yo te quiero mucho  
Yo hablo espanol

Oh I want, I want everything  
I want everything I can't have

When the brandy hits my throat I go  
Da-da-da-da-da da-da-da da-da  
When I see the girls, those girls they make me go  
Da-da-da-da-da da-da-da da-da  
When I get a taste, a taste it makes me go  
Da-da-da-da-da da-da-da da-da  
And when that brandy hits my throat I go  
Da-da-da-da-da da-da-da da-da

I want a house and kids  
A big family  
I want so many women  
I can't have everything
