

# Robin Thicke, Flowers In Bloom

All of the flowers in bloom  
She took away her sweet love when she died  
and all of the flowers have been put into the garage  
so why do I dance with these fools?  
All of my life I'm fallen to her heart  
Over and over and over again  
Though I made her seem lucky in my arms  
made her a promise more than once

Chorus:  
I promised her love  
She keeps on knocking but she cant get in  
and though I promised her love  
She keeps on knocking but she cant get in  
and though I promised her love  
over and over and over again  
Over and over

So what do I do with these tears?  
She wonders why I get all against her heart  
and how can I tell her I love her the way I treat her  
Though I made it seem honest more than once

Chorus x 2

All the flowers in bloom  
I've never seen such beauty in my life  
In all of the daydreams  
all of the kids get to play  
lalalalalala....
