

# Robin Thicke, Get Her Back

All I wanna do  
Is keep her love  
Keep her love  
Keep her satisfied  
All I wanna do  
Is make it right  
Make it right  
Is make you smile tonight  
All I wanna do  
Is give you that thing, playing as saw you and your girlfriend sing  
All I wanna do  
Is get you back tonight  
I gotta get to go, get to go, get her back  
I gotta get to go, get to go, get her back  
I gotta treat her right, I gotta cherish for life  
I gotta get to go, get to go, get her tonight

I never should have raised my voice or made you feel so small  
I never should have asked you to do anything at all  
I should have kissed you longer  
I should have held you stronger  
And I'll wait for forever for you to love me again

All I wanna do  
Is keep her like  
Keep her like  
Keep her satisfied  
All I wanna do  
Is make it right  
Make it right  
Is make you smile tonight  
All I wanna do  
Is give you that thing, playing as saw you and your girlfriend sing  
All I wanna do  
Is get you back tonight  
I gotta get to go, get to go, get her back  
I gotta get to go, get to go, get her back  
I gotta treat her right, I gotta cherish for life  
I gotta get to go, get to go, get her tonight

It's so hard /4x  
But it doesn't have to be

'Cos all I wanna do  
Is keep her love  
Keep her love  
Keep her satisfied  
All I wanna do  
Is make it right  
Make it right  
Is make you smile tonight  
All I wanna do  
Is give you that thing, playing as saw you and your girlfriend sing  
All I wanna do  
Is get you back tonight  
I gotta get to go, get to go, get her back  
I gotta get to go, get to go, get her back  
I gotta treat her right, I gotta cherish for life  
I gotta get to go, get to go, get her tonight

'Cos all I wanna do  
Is keep her love  
Keep her love  
Keep her satisfied

All I wanna do  
Is make it right  
Make it right  
Is make you smile tonight  
All I wanna do  
Is give you that thing, playing as saw you and your girlfriend sing  
All I wanna do  
Is get you back tonight  
I gotta get to go, get to go, get her back  
I gotta get to go, get to go, get her back  
I gotta treat her right, I gotta cherish for life  
I gotta get to go, get to go, get her tonight
