Robin Thicke, Teach U A Lesson

You feel so good You smell so good You feel so warm Just like I knew you would I can't let you go I can't let you go I can't let you go

You were late to school
I'm gonna have to see you after class
You've been a bad girl
Someone's gonna have to teach you a lesson
You've been a bad girl
Someone's gonna have to straighten you right out
You've been a bad girl
Someone's gonna have to teach you
Teach you, teach you, teach you

You can call me 'Professor' But baby you broke the rules You won't get the grade you want Unless you stay after school You can work it off Baby I can give you extra credit But there's something else You were late to school Teach you, teach you, teach you Girl, can I frisk you? Search your body for You look so guilty to me If I make you nervous It's 'cause youre hiding WMDs And I'm gonna sentence you Baby you can do your time on me I can't let you go I can't let you go

You were late to school
I'm gonna have to see you after class
You've been a bad girl
Someone's gonna have to teach you a lesson
You've been a bad girl
Someone's gonna have to straighten you right out
You've been a bad girl

Just for the momment, For tonight Can I make you mine? Is it me, is it mine? Can I love you all my life?
