

# Robin Trower, Hannah

Hannah, walking in beauty, like the night  
Hannah, soft as the early morning light  
Nothing I do, brings me to you  
Hannah, let me love you

Hannah, distance surrounds you everywhere  
Hannah, living in memories I can't share  
Living a life, wide as the sky  
Hannah, mmmm let me love you

Hannah, queen of my nights, light of my day  
Hannah, slowly the hours fade away  
Wishes for you, never came true  
Hannah, mmm let me love you  
Let me love you  
Got to love you  
Mmmmm, love you  
Love you
