

Robots In Disguise, Bed Scenes

Bed scenes!
Bed scenes!
Bed scenes!
Bed scenes!

Bed scenes!
Bed scenes!
Bed scenes!
Bed scenes!

I feel calm as I take your tongue
Breathe you past lips into lungs
I feel a little sick and you uncovered
A change of flavour - I dare you!

Bed scenes!
Bed scenes!
Bed scenes!
Bed scenes!

Bed scenes!
Bed scenes!
Bed scenes!
Bed scenes!

Mouths glued
All lips
Eyes shine
Bite down

Bed scenes!
Bed scenes!
Bed scenes!
Bed scenes!

Bed scenes!
Bed scenes!
Bed scenes!
Bed scenes!

I feel stirred on this ascent
To little death by your fingers
I am a littled licked, but I'll recover
Like the switchback - I'll take you!

Bed scenes!
Bed scenes!
Bed scenes!
Bed scenes!

Bite down
Eyes shine
All lips
Mouths glued

You'll break free!

- That'll do
- That's it?!
