

# Robots In Disguise, DIY

Don't take, don't take, don't break my amateur art  
Ne te moques pas, te fous pas, te fous pas, casses pas  
Ne plaisantes pas avec mon art  
We're the Blue Peter generation  
Brought up on amateur creation  
Check our hobbies and collections  
Our lower middle class directions  
My work's won kiddie competitions  
Filled leisure time with my inventions  
Read books that stretched imagination  
I loved my breaktime education  
Don't take, don't take, don't break my amateur art  
I heart my art  
Don't make, don't make, don't make a joke of my heart  
Ne plaisantes pas avec mon art  
DIY - Do or die  
(Why don't you...sing write paint make?)  
DIY - Do or die  
DIY - oh why  
(Why don't you...DIY)  
DIY - do do do...  
DIY - why not  
I heart my art  
Ne plaisantes pas avec mon art  
We're the pre-mixed generation  
Buy into quicker-fix emotion  
Grown up, want only-child attention  
Fed up on going through the motions  
Dress up and kill the television  
Play names and word association  
Paint sounds, electro conversation  
Go games and adult education  
Don't take, don't take, don't break my cut and paste art  
I heart my art  
Don't make, don't make, don't make a joke of my art  
Ne plaisantes pas avec mon art
