

# Robots In Disguise, Don't Copy Me

Was your hair cut by the council?  
Two in one, Louise Brookes and Shirley Temple.  
One Madonna glove and a jacket too tight.  
Are you wearing your whole badge collection out tonight?

I've got the style and you can't cheat it  
Stop! Don't copy me!  
I've got the style and you can't beat it  
Stop! Don't copy me!

Like your busby, guess you saw the same on me,  
Get out you want to pay me a royalty.  
You can laugh but it looks much better on me,  
What can one do? I'm always years too early

Heard you're learning drums too: Quelle surprise!  
Guess you'll be checking out my fierce beats.  
Three drummers in one band hmm, un peu de trop  
Get back on your guitar or else go solo!
