Robots In Disguise, The Tears

Fear of an enemy a hand to a face words I overhear
Stop starting histories a code in a look what's that number?(What's that number)

Red light, panic terror(error,error)
I'll cut her from ear to ear
Blue funk, panic, terror(error,error)
I'll cut her I'll cut her I'll cut her
(I'll fuck her up)

Crazed by my make believe
a tongue down a throat
the grip on your arse
Tales that you tell to me a touch of your noise why did you stammer?
Red light, panic terror(error,Error)
I'll cut Ya from ear to ear
Blue funk, panic, terror(error,error)
I'll cut ya I'll cut ya I'll cut ya
(I'll fuck you up)

I'm your slave got to taste the tears(the tears the tears)
I'm your slave got to taste
I'm your slave got to taste the tears(the tears the tears)
I'm your slave got to taste

Red light, panic terror(error,error)
I'll cut ya I'll cut ya I'll cut ya

I'm your slave got to taste the tears(the tears the tears)
I'm your slave got to taste
I'm your slave got to taste the tears(the tears the tears)
I'm your slave got to taste

(error..)
