

Robyn, Blow My Mind

Straight up from my heart you're my number one
And hey here's the part I'm still having fun
It's like you're the cloud underneath my feat
And you're the reason that breathe
Because you blow my mind
Because you blow my mind
And the way you're talking baby your so cool
I'll do anything for you...
Hey baby ravish me, love me till it hurts
Dont you dare to leave , button down my skirt
Kiss me quick Im about to burst , patience aint my thing
And youre the reason that I sing
Because you blow my mind
Because you blow my mind
And the way you're talking baby your so cool
I'll do anything for you...
Unbelievable, ooo its such a rush
So incredible, boy you make me blush
Just keep doing it , throw me into space
And Ill be floating there for days
Because you blow my mind
Because you blow my mind
And the way you're talking baby your so cool
I'll do anything for you...
