Robyn, Do You Really Want Me

chorus)

Do you really want me am I really special Taking is so easy boys giving is unusual If you really want me don't make we wait too long Respect and love is the key just listen to my song Boy listen to me carefully now Cause this is something every man should know Oh this is a lesson about how You treat your girl right just let it show That you love her that you need her say That you want her in every way You gotta show your girl a little respect Or you won't get nothing back but hate It's those little things that mean so much You gotta treat her right Or get out of her sight Safe is how she wants to feel Protect her with all you've got Oh she wants to know your love's for real And be a good lover make her hot Then she'll do everything love you day and night She'll do anything just do her right It's those little things that mean so much You gotta treat her right Or get out of her sight Chorus Girls don't give up, give your best No part time job, no time to rest Let him know what's up before

so he can give you more and more
