

# Robyn, Do You Really Want Me (Show Respect)

Boy listen to me careful now  
Cause this is something every man should know  
Oh this is a lesson about how  
You treat your girl right just let it show  
That you love her that you need her say  
That you want her in every way  
You gotta show your girl a little respect  
Or you won't get nothing back but hate  
It's those little things that mean so much  
You gotta treat her right  
Or get out of her sight

Do you really want me am I really special  
Taking is so easy boys giving is unusual  
If you really want me don't make we wait too long  
Respect and love is the key just listen to my song

Safe is how she wants to feel  
Protect her with all you've got  
Oh she wants to know your love's for real  
And be a good lover make her hot  
Then she'll do everything love you day and night  
She'll do anything just do her right  
It's those little things that mean so much  
You gotta treat her right  
Or get out of her sight

[Chorus]

Girls don't give up, give your best  
No part time job, no time to rest  
Let him know what's up before  
so he can give you more and more
