

# Robyn, Don't You Go

(bridge)

oooh baby no, dont you go, let them wait  
oooh baby no, dont you go, baby stay

(twice)

dont know the time, but i feel your getting out of bed  
the way you felt last night, i wanna feel it again

baby dont think about it, dont you go, let them wait,  
dont you think about it, baby dont leave alone  
please stay

(chorus)

through the moonlight, sun shine, we can go on and on  
ill be holding you close  
through the moonlight, the sun shine, here in a world of our own  
baby dont go

(bridge)

oooh baby no, dont you go, let them wait  
oooh baby no, dont you go, baby stay

you say you ve got things to do, got to get on with your day  
i say, but think of the things, we can do if you stay  
no i dont wanna be on my own  
baby dont leave your baby alone

(chorus)

(bridge)

moonlight, sunshine, baby please stay through the
