

# Robyn, Who's That Girl

Good girls are pretty like all the time  
I'm just pretty some of the time  
Good girls are happy and satisfied  
I won't stop asking until I die

I just can't deal with the rules  
I can't take the pressure

Who's that girl that you dream of?  
Who's that girl that you think you love?  
Who's that girl, well I'm nothing like her  
I know there's no such girl  
I swear I can't take the pressure  
Who's that girl?

Good girls don't say no or ask you why  
I won't let you love me until you really try  
Good girls are sexy like everyday  
I'm only sexy when I say it's okay

I just can't deal with the rules  
I can't take the pressure

Let's play a game that you've never tried  
You be the girl and I'll be the guy  
Let's pretend everything has changed, and then  
Would you love me any different?
