

# Rochelle, Way Up (Feat. Kalibwoy)

Every day I rise up  
I see a mountain I'm gonna climb up  
Eye of the tiger  
And one step closer than yesterday  
To keeping promises that I made  
Yes, I'm a fighter

Tell mama that I'm well on my way up  
Tell mama that I'm well on my way up  
Won't let nobody get in my way,  
Yes, I'm well on my way up now  
Mama, won't let you down

Yes, I know she miss me  
So far away, I'm here in the city  
Tell her I'm sorry  
Cause I know what she going through  
But mama, trust me, it's all for you  
But one call me guilty  
But I'm tryna repay all the love she gave to me

Tell mama that I'm well on my way up  
Tell mama that I'm well on my way up  
Won't let nobody get in my way  
Yes, I'm well on my way up now  
Mama, won't let you down

[Kalibwoy:]

Tell mama that I'm well on my way up  
Tell mama that I'm well on my way up  
Won't let nobody get in my way,  
Yes, I'm well on my way up now  
Mama, won't let you down
