

# Rock Kills Kid, I Turn My Camera On

I turn my camera on

And I cut my fingers on the way, yeah

It hit me like a tom

Keep on blowin' up

Keep on blowin' 'em off

Get up roll it out

Keep on showin' 'em out

You hit me like a tom

Keep on blowin' up

Keep on blowin' 'em off

Get up roll it out

Keep on showin' 'em out

When I turn my feelings off

I turn my feelings on inside

I saw them stars go off

I saw the stars go off at night

It hit me like a tom

Keep on blowin' up

Keep on blowin' 'em off

It hit me like a tom

Get up roll it out

Keep on showin' 'em out

You hit me like a tom

Keep on blowin' up

Keep on blowin' 'em off

You hit me like a tom

Get up roll it out

Keep on showin' 'em out

I turn my feelings off

And you, you weren't so polite

It hit me like a tom

Keep on blowin' up

Keep on blowin' 'em off

It hit me like a tom

Get up roll it out

Keep on showin' 'em out

I don't know where it's from

Keep on blowin' up

Keep on blowin' 'em off

You hit me like a tom

Get up roll it out

Keep on showin' 'em out
