

Rock Kills Kid, Raise Your Hands

Well I'm waking up again
Waking up to all of your sorrow
Your eyes possessing me
Everywhere I turn, they follow
Turn away, cause I have you to thank
For all the hatred that I feel
Cause I've become so dead and hollow

Why don't you raise your hands
You gotta be so proud
Raise your hands
And let me know
Why don't you raise your hands
I wanna hear it loud
Raise your hands
And let me know, you care

When will all this end
When will all this go away
You were always testing me
Just another game you play
Your eyes possessing me...

Why don't you raise your hands
You gotta be so proud
Raise your hands
And let me know
Why don't you raise your hands
I wanna hear it loud
Raise your hands
And let me know, you care

Why don't you raise your hands
You gotta be so proud
Raise your hands
And let me know
Why don't you raise your hands
I wanna hear it loud
Raise your hands
And let me know, you care

Oh, oh, oh...
Why don't you
Why don't you
Oh, oh, oh...
Why don't you

Oh, oh, oh...
