

Rock N Roll Worship Circus, A Beautiful Glow

everyday i've lived alone from You
separated from the Love i knew
and no one else can tell me how to feel
'cuz there has never been
a love more real - than anyone but You...

so come on, come on and open me,
there's A Beautiful Glow for You to see
(You're livin' in a heart made for me
to shine for You...to shine through me)

with Your glory spinning in my mind
and Your lovely lighting up my eyes
i have never known a Love so true
and i could never give my heart away to
anyone but You
to anyone but You...
and all i have is all i am in You
(all i am is all i have in You)
and all i have is all i am in You
(all i am is all i have)
