

Rock N Roll Worship Circus, Come On Get Down

All you kids
Sell your toys
Every girl every boy
Buy a guitar
Let's go

Cuz we all know
That it's more fun to rock n roll
And jump around
With a guitar
All right

Come on come on
Come on come on get down
Come on come on
Come on come on make a sound
Come on come on
Come on come on

Hey baby
Take every worry that you have
And throw it down
When you hear the sound
All right

Cuz we all known
That God Himself made rock n roll
So that we'd know
What the party is like
Up in Heaven
