

Rock 'N' Roll Worship Circus, New Wave Revolution

You say you belong to our useless wasted generation?
For too long everthing from hell has come to destroy our lives
It's time for you and I to re-arrange this constitution
Tonight is the beginning of our New Wave Revolution

"come and join with me", revolution screams

You give me every broken dream, I'll give you restoration
Come trade in all your hatred for a brand new motivation
This Love is all the power we need to send out a revelation
We join our hands and all agree tonight for one thing...our salvation

Revolution screams: "come and join with me";

[Therefore, as we set sail, we ask God's blessing on the most hazerdous, and dangerous, and gre
