

# Rock N Roll Worship Circus, Ride

So let's ride  
You me the Son, and the sky  
We gonna fly  
As fast as fast as you can see  
And we will go and go  
Till you are free  
So let's ride

Go  
And when you are with Him  
Everybody knows  
Cuz your eyes glow  
So be the most  
The most that you can be  
Walk with your hand  
In my Father's hand  
And be all all that you can be  
Look in His eyes  
And let's ride  
Jump  
Duck  
Dive

And we will fly as fast as you can see  
Put your hands in His hand  
In my Father's hand  
And we will go and go till you are free  
Put your hand in His hand  
In my Father's hand  
And we will fly as fast as you can see  
Put your hand in His hand  
In my Father's hand  
And we will go and go till you are free  
Look at Him you will see  
Oh baby let's ride
