

Rock 'N' Roll Worship Circus, The Undiscovered

And I see
A color white
So bright
The earth trembles
There is a cloud
Around His throne
That veils
The Undiscovered

So be afraid
For He is coming
In more glory
Than we have seen
So oceans roar
And all you creatures
Tell the nations
The Lord is King
The Lord is King

Let all creation see
All of creation see
Let all creation see
All of creation see
All of creation see
