

Rock Ryders, Don't you know

Don't You Know
You're The One Who Makes Me Smile
Don't You Know
Baby Look Into My Eyes
Oh, Can't You See What I Feel
You're Everything I Need
Believe
And Stand By Me...
Don't You Know
You're The One Who Makes Me Smile
Don't You Know
Baby Look Into My Eyes
Oh, Can't You See What I Feel
You're Everything I Need
Believe
And Stand By Me...
Don't You Know
You're The One Who Makes Me Smile
Don't You Know
Baby Look Into My Eyes
Oh, Can't You See What I Feel
You're Everything I Need
Believe
And Stand By Me...
