

# Rockell & Collage, Boyfriend Girlfriend

I know that u belong to my best friend  
but my love for u will never end  
and my love for u could never end  
do u ever feel me in the night,even when she thinks everything's alright  
but nothing's alright now  
i want u,do u want me,i guess we never figured this is just how love would be  
he's my best friend and i can't lie,but just to kiss your lips tonight i will surely die

i'm in love with my best friends boyfriend,and that's the way i feel till the end of time  
he's my best friends boyfriend,i wanna make him mine  
i'm in love with my best friends girlfriend,and even though i know it's wrong  
i want her so badly,i had to write this song

i know u belong to my best friend,but i gotta have you  
for so long he has been my one true friend  
if u knew how much i love u it would be the end  
i know,i don't wanna hurt him either  
every single night i dream of u,to live without your love so hard to do

and all my dreams are of u  
i want u,do u want me,i guess we never figured this is just how love would be  
he's my best friend and i can't lie,but just to kiss your lips tonight i will surely die

i'm in love with my best friends girlfriend,and even though i know it's wrong  
i want her so badly,i had to write this song  
i'm in love with my best friends boyfriend and that's the way i feel till the end of time  
he's my best friends boyfriend  
i wanna make him mine  
i don't want to,but i gotta take your man

i'm in love with my best friends boyfriend,and that's the way i feel till the end of time  
he's my best friends boyfriend,i wanna make him mine  
i'm in love with my best friends girlfriend,and even though i know it's wrong
