

Rockell & Collage, Can't We Try

[Collage]

I see your face cloud over like a little girl's
Your eyes have lost their shine
You whisper something softly I'm not meant to hear
Baby, tell me what's on your mind

[Rockell]

I don't care what people say
About the two of us from different worlds
I love you so much that it hurts inside
Are you listening?

[Collage]

Listen to me, girl

[Both]

1 - Can't we try just a little bit harder
Can't we give just a little bit more
Can't we try to understand
That it's love we're fighting for
Oh, can't we try just a little more passion
Can't we try just a little less pride
I love you so much baby
That it tears me up inside

[Collage]

I hear you on the telephone with God knows who
Spilling out your heart for free
Everyone needs someone they can talk to
Girl, that someone should be me

[Rockell]

So many times I tried to tell you
You just turned away

[Collage]

How did I know?

[Rockell]

My life is changing so fast now
Leaves me lonely and afraid

[Collage]

Don't be afraid

Repeat 1

[Collage] Don't let our love fade away

[Rockell] Don't let our love fade away

[Collage] No matter what people say

[Rockell] No matter, no matter what they say

[Collage] 'cause I need you more and more each day

[Rockell] Don't let our love fade away

[Collage] No matter what people say

[Rockell] No matter, no matter what they say

[Collage] Oh, oh, oh
