

Rod Steward, Tonight I'm Yours (Don't Hurt Me)

Yeah - I can tell by the look in your eyes
You've been bored for a long
long time.
You need love and so do I
let's turn it all around.

I don't want an everlasting thing
I don't care if I see you again.
So grab your coat and Honey
tell your friends
You won't be home
you won't be home
you won't be home.

Tonight I'm yours - do anything that you want me to

Don't hurt me
don't hurt me. Tonight I'm yours -
Do anything cause I want you to
just don't hurt me
Babe.

Yeah - I don't really wanna challenge you

Marry you or remember you.
I just wanna make love to you
For 24 hours or more
or more.

I'm only looking for a fantasy -
An interlude from reality.
Don't want nobody tryin' to rescue me

So rock me Babe
rock me Babe
rock me
rock me.

Tonight I'm yours - . . .

And tomorrow morning we won't cry

You go your way Honey
I go mine.
I'm the one who didn't waste your time -
Remember me this way.

And if you never see my face again
Think of me as a permanent friend -
The one that loved you like a hurricane
Then disappeared
disappeared
disappeared.

Tonight I'm yours - . . .
Tonight I'm yours - . . .
Tonight you're mine
tonight you're mine

Do anything
do anything . . .
