

# Rod Stewart, Ain't That Lovin' You Baby

(jimmy reed)

Know I love you baby  
Know I love you baby  
You know I love you baby  
You don't even know my name

Let me tell you baby  
I tell you what I would do  
I would rather be a big somebody  
And come home to you

Ain't that lovin' you baby  
Ain't that lovin' you baby  
Ain't that lovin' you baby  
You don't even know my name

Let me tell you baby  
Though it don't sound true  
If you'd throw me in the ocean  
I'd swim to the shore  
And come home to you

Ain't that lovin' you baby  
Ain't that lovin' you baby  
Ain't that lovin' you baby  
You don't even know my name, alright

Know I love you baby  
Know I love you baby  
You know I love you baby  
You don't even know my name

Let me tell you baby  
I tell you what I would do  
I would rather be a big somebody  
And come home to you

Ain't that lovin' you baby  
Ain't that lovin' you baby  
Ain't that lovin' you baby  
You don't even know my name, alright

Four o'clock in the mornin'  
You come walkin' home  
I ain't got no consolation  
But to ring you on the phone

Ain't that lovin' you baby  
Ain't that lovin' you baby  
Ain't that lovin' you baby  
You don't even know my name  
You don't even know my name  
You don't even know my name
