

Rod Stewart, I Feel So Good

(willie broonzy)

All right, it's your turn to give something back so let's hear a couple of chords. now where are ya ?
I got a letter, it come to me by mail
My baby's a-comin' home, I hope that she won't fail
Because I feel so good, I feel so good
You know I feel so good, feel like ballin' the jack

I drove into town to that old station, just to meet her old train
My baby said she's a-comin' home I hope that she won't fail
Because I feel so good, I feel so good
You know I feel so good, feel like ballin' the jack

Feel so good, I hope I always will
Feel just like I just got out of jail
Wherever I'm ...
Because I feel so good, I feel so good.
You know I feel so good, feel like ballin' the jack

All right, I can see you. let's have you. are you with me up there?
Are you with me? are you with me?
Feel so good, feel so good.
Oh I feel so good, ah yeah

I want you to 'uh, shout as loud as you can. 'cause were going to try and record this so you'll know
