

# Rod Stewart, Standin' In The Shadows Of Love

(Chorus)

Standing in the shadows of love  
I'm getting ready for the heartaches to come  
Standing in the shadows of love  
I'm just waiting for the heartaches to come  
I want to run but there's no place to go  
'Cause heartaches will follow me I know  
Without your love the love I need  
It's the beginning of the end for me  
'Cause you've taken away all my reason for living  
When you pushed aside all the love I been giving

(Bridge)

Didn't I treat you right now baby didn't I  
Didn't I do the best for you now didn't I  
Don't you leave me

(Chorus)

All alone I'm destined to be  
With misery my only company  
Might come today might come tomorrow  
But it's for sure I ain't got nothing but sorrow  
Now don't your conscience kind of bother you  
How can you watch me cry after all I done for you  
Now hold on a minute

(Bridge)

(Chorus)

I want to run but there's no place to go  
'Cause heartaches will follow me I know  
Without your love the love that I need  
It's the beginning of the end for me  
Now don't your conscience kinda, kinda bother you  
How can you watch me cry after all the things I done for you  
Didn't I treat you right now baby didn't I  
Didn't I do the best for you couldn't I  
Didn't I do right by you didn't I  
Didn't I screw you right now  
Kept you in luxury didn't I  
Didn't I do the best for you didn't I  
Didn't I treat you right now didn't I  
Didn't I do the best for you now didn't I  
I'm trying hard not to cry  
You know my crying ain't gonna help me now  
Without your love the love that I need  
It's the beginning of the end for me  
So don't you leave me

(Chorus)
