

# Rod Wave, Alone

Uh, you ever feel like you worthless? (Graah)  
Like you ain't worth shit? (Yeah)  
And I know that I ain't perfect  
But you know that I'm worth it (Yeah)  
Tryna find somethin' to do in my time  
Ease my pain, get you off of my mind  
Three cell phones, I been on my grind  
No more love means no more lies  
And I tried (Yeah)  
Lord knows I tried (Yeah, yeah)  
Smokin' dope back to back, I'm fried (Fried)  
Thuggin' for three days see the pain in his eyes (Yeah)  
Tryna get over pride (Yeah, yeah)  
And I'm here to let 'em know (Let 'em know, gotta let 'em know)  
Uh, if you love 'em, don't let 'em go (Let 'em go, tell me, why would you ever let 'em go?)  
I found your headband on my bedroom floor  
The only evidence that you've been here before  
I don't get waves of missin' you anymore  
They're more like tsunami tides in my eyes (Yeah-yeah)  
Remember all of the times, on Pinellas Point Drive  
Actin' like you was fine, a broken heart in disguise (Yeah)  
Loved a nigga to death, even though I was tellin' lies  
The day that we run away, all the stars align  
It's the same old thing (Yeah)  
It's the same old song (Yeah)  
One day you're here, next day you're gone (Gone)  
All of the fussin', all of the fights  
All the early mornings, and the long nights  
All the who's right's, and all the who's wrong's (Woah, yeah, yeah)

Just to end up alone (All alone, end up alone)  
Just to end up alone (All alone, just to end up alone)  
Just to end up alone (All that work, all that time)  
I don't wanna be alone  
I don't wanna be, I don't wanna be  
Don't leave me alone

Aye let me hear that Tino  
Let me see where I'm at with that bit  
Graah, graah
