Rodeo Blue, Try

Don't tell me I'm wrong
Cause I've been watching every move that you make
Hearts you steal with your make-up and heels
Trouble for the men that you take

Every time you walk in the room
I could never be sure of a smile
You were never the same way twice
But I'm falling in love
Night after night - oh it's crazy

So many people who said
Girl you've got nothing but time
Oh you are a shining star
Don't you worry about what you're leaving behind

Every time you walk in the room
I could never be sure of a smile
You were never the same way twice
But I'm falling in love
Night after night - oh it's crazy

Oh you got to try try try
Don't you know you've got to try try try
Oh baby you try

Every time you walk in the room
I could never be sure of a smile
You were never the same way twice
I'm falling in love
Night after night - oh it's crazy

Oh you got to try try try
Don't you know you've got to try try try
Oh baby you try
