Rodgers And Hammerstein, I Have Confidence

What will this day be like?
I wonder
What will my future be?
I wonder
It could be so exciting
To be out in the world
To be free
My heart should be wildly rejoicing
Oh whats the matter with me?

I've always longed for adventure To do the things I've never dared Now here I'm facing adventure Then why am I so scared?

Captain with seven children Whats so fearsome about that?

Oh I must stop all these doubts
All these worries
If I don't I just know I'll turn back
I must dream of the things I am seeking
I am seeking the courage I lack

The courage to serve them with reliance Face my mistakes without defiance Show them I'm worthy And while I show them I'll show me! So!

Let them bring on all their problems I'll do better than my best I have confidence They'll put me to the test But I'll make them see I have confidence in me

Somehow I will impress them I will be firm but kind And all those children Heaven bless them They will look up to me And mind me

With each step I am more certain Everything will turn out fine I have confidence the world can all be mine They'll have to agree I have confidence in me

I have confidence in sunshine
I have confidence in rain
I have confidence that spring will come again
Besides what you see I have confidence in me!

Strength doesn't lie in numbers Strength doesn't lie in wealth Strength lies in nights of peaceful slumber When you wake up Wake up! It's healthy!

All I trust
I give my heart to
All I trust becomes my own
I have confidence

In confidence alone

I have confidence in confidence alone! Besides what you see I have confidence In me!
