

# Rodney Carrington, Grandpa

Come home  
It's been so long  
We're missing you at home  
So hang up that phone  
Cuz I'm coming back home  
Back home  
Come home  
It's been so long  
I can't hide no more  
So hang up the phone  
Cuz I'm coming back home  
Drive me home  
Drive me home  
Drive me home  
Drive me  
Keep on driving me home  
Come home  
It's been so long  
We're missing you at home  
So hang up that phone  
Cuz I'm coming back home
