

# Rodney Carrington, Prison Bitch

they say our love is taboo  
that what were doing is wrong  
but i dont care what they say cause my love is so strong  
they tell us we should be ashamed  
were not husband and wife  
but i cherish each moment with you  
im so glad your in my life

verse:

your my prison bitch  
my prison bitch your not like other men  
i'm glad we share a prison cell when lights go out at ten  
i cant escape the way i feel now that well be a crime  
as long as i am doing you i dont mind doing time  
cause your my  
prison bitch  
my prison bitch  
and i have no regrets, i got you for a candy bar and a pack of cigarettes  
at first you were resistant but now you are my friend  
i knew that i would get you in the end

chorus:

prison bitch  
prison bitch  
i guess that you were sent from up-above  
yeah!  
prison bitch  
prison bitch  
and now you are my prisoner of love

(verse 2:prison bitch)

im your prison bitch  
your prison bitch  
and your a sex machine  
i only had but one request  
how bout some vasaline(shut up!!!)  
im tired of this prison cell  
i need to get away, they sentence me to seven years  
not seven times a day  
im your prison bitch  
your prison bitch  
you nympho-maniac(come here!)  
i really hate these knockers that you tattoo'd on my back  
i fought that i could break away  
but now im loosing hope  
and god im tired of picking up the soap

bend over prison bitch!!(oo ooh oo)  
prison bitch!(doo ooh oo)  
turn out the lights cause i can hardly wait  
prison bitch!(doo ooh oo)  
prison bitch!(doo ooh oo)  
when i get out im ready to go straight!

(verse 3:)

your my prison bitch  
my prison bitch  
I'll never say goodbye  
your not like all the others  
to bad they had to die...

prison bitch:

on second thought i think ill stay if you want me to-ooo  
your prison bitch is never leaving you!

outro:

at first you were my cell mate but now your my soul mate

come here come here baby!!come here!

(bitch:)o no not again (rrr)

now i know why they call you a "HARDENED" criminal

hang on you're about to find why they call this the pokey!!!

ooooooooo
