

# Rodney Carrington, Titties And Beer 2

Titties and beer

(titties and beer)

Titties and beer

(titties and beer)

I thank god almighty for titties and beer

(big titties and beer)

Huntin' two legged deer

(titties and beer)

Thank god I ain't queer

( titties and beer)

There's one thing daddy likes and thats titties and beer

(big ol' titties and beer)

unison:

A little titties and beer

Great big titties and my beer

God damn it I love those motherf\*\*kin' titties.....

That ain't the song but it is now.

We would love to do that for your wedding if you would have us.
