

Rodney Crowell, Nothing

I know I complain
Man, it drives me insane
When I can't make a change
That I want to see
Well it's all in my head
But I can't find the thread
So I stumble instead
Standing up for me(?)

I don't feel nothing anymore
I can't get myself up off the floor
I don't feel nothing baby

There was a time
When the world was all mine
And the night was a light that was guiding me
There was a day when I knew what to say
What I want
What I need
What's inside of me

I don't feel nothing anymore
Can't pick myself up off the floor
I don't feel nothing anymore

I know there must be something else
Won't someone show it to me please
And if I thought that it might help
I would get down on my knees

Night after night
Man, I know it's not right
It's a fuss and a fight
?

Tears come and go
We got nothing to show
But this hole in my soul
That is killing me

I don't feel nothing anymore
I can't get myself up off the floor
I don't feel nothing anymore
