

# Rodney Crowell, Stuff That Works

I've got an old blue shirt and it suits me just fine  
I like the way it feels so I wear it all the time  
I've got an old guitar that won't ever stay in tune  
But I like the way it sounds in a dark and empty room  
I've got an old pair of boots that fit my feet just right  
I can work all day and go out and dance all night  
I've got a new used car that runs just like a top  
Yeah I get the feeling it ain't ever gonna stop  
Stuff that works stuff that holds up  
Is the kind of stuff you don't hang on the wall  
Stuff that's real that stuff you feel  
Is the stuff you always reach for when you fall

I've got a pretty good friend who's seen me at my worst  
He don't care if I'm a blessing or a curse  
But he always shows up when the chips are down  
That's the kind of friend I like to be around  
Stuff that works...

There's a woman I love she's crazy and she paints like God  
She's got a playground sense of justice she don't give odds  
I've got a tattoo with her name right through my soul  
And I think everything she touches turns to gold  
Stuff that works...  
Stuff that works...
