No more, we at war (Freedom fighters
Where you at?) Uh! (My French niggaz)

[Chorus x3: Daddy Rose (Driver)]
They say that the world peace but they tellin lies
This time the revolution must be televised
(Ouais, j'suis combattant de la libert

Give me liberty or give me death, give me liberty or give me death

Ouais, j'suis combattant de la libert)

[Interlude: Killah Priest (Dreddy Kruger)]
Hot topic..

(They ain't hear you, they ain't hear you)
Oh shit..

(Hot millenium)

[Driver]
J'suis en tenue d'combattant, guerrier en scaphandre de combat
Celui qui s'dresse impoliment, ngativement, l-bas l'abattoir
J'te parles du jour ou tout vas pter
Le jour ou il faudra s'dfendre pour obtenir la libert...mentale
Rveillons les consciences, pas d'folie j'me donne les moyens je tente ma chance
Sache qu'un p'tit peu d'ci, avec un p'tit peu d'a
Ca fait ci-a, a-ci, un gros truc comme a
Se rouler dans la boue pour les droits d'l'homme a cote rien
Sachant qu'a peut protger ton futur gosse et tes frangines, frangin
Des guettos d'New York aux sales banlieues d'Paris
Chacun souffre dans son coin il parait qu'c'est la vie
J'veais la dompter, la fourrer, perforer, l'essorer, la mettre ma guise
Oui comme dans "Strip-tease", en un mot la mater
Du haut d'ma tour Sarcelles, j'mne l'opration
En urgences, c'est l'agence, Driver la rvolution...

[Chorus]

[Interlude: Killah Priest]
Gotta leak it..

[Daddy Rose (Killah Priest)]
I'm Daddy Rose, son of a black widow spider
Used to be the flame of a crack lighter
Now I'm a freedom fighter, spirit or Nat Turner
Strapped with a black burner, mind of Malcolm
Sight of a falcon, this black man is heard
from Brownsville to Johannesburg
The oppressor said he freed us, just damaged words
Gave me a replica or liberty, me garned in shackles
Feeled like a live king surrounded by jackels
Armed with two scappels, tearin out the slave masters Adam's apples
Feel like Atlas, but the weight of the world, I must carry it

Shotguns like Harriet, I could feel my ancestor sing
"Swing Low Sweet Chariot", for I am that I am
The Gods have spoken, Moses in the bush
Trust the virgin Mary, black widow lamb (King Masada)

[Chorus]

[Prodigal Sunn]

I'm highly liberated, anticipated, still isolated
In this crime scenery, carry heavy machinery
On some revolutionary thug shit so watch ya nugget
When the slugs spit I'm aimin for devils that be my target
Number one priority, first of all, fuck society
All they do is lie to me and spy for my enemies
A freedom fighter, eat-a-mic sniper, fuck a liar-liar
Like I said before son I speak truth 'til I expire
My heartbeats enrage against the devil escapades
For forty-thousand decades they made raise through wealthy slaves
See in these wicked times some carry nines and marry swine
With corrupted mines, created his line by mankind
I generate lines of energy, cremate the century
Soldier of infinity, brolic identity
My chemistry and glee gleams like a fat diamond ring
From the alley of fiends to the +Valley of Kings+, Kings

[Chorus x3]

[Outro: Killah Priest]

The return of Shabar
Masada, King Masada

Give me liberty or give me death [x4: w/ Daddy Rose]

Give me liberty or give me death [x2]
