

Rodox, Exodus

Exodus, movement of JAH people
Exodus, movement of JAH people
Men and people will fight ya down
When ya see JAH light
Let me tell you if you're not wrong
Everything is alright
Through the roads of creation
We're the generation
Who trod through great tribulation
Exodus, movement of JAH people
Exodus, movement of JAH people
Open your eyes and look within
Are you satisfied with the life
You're living
We know where we're going
We know where we're from
We're leaving babylon
We're going to our father's land
Exodus, movement of JAH people
movement of JAH
movement of JAH
movement of JAH
movement of JAH people
JAH come to breakdown downpression, rule equality
wipe away transgression
and set the captives free
JAH come to breakdown downpression, rule equality
wipe away transgression
and set the captives free
and set the captives free
and set the captives free
and set the captives free now
SET! SET! SET! SET! SET!
Set free!
Set free!
Set free!
Set free!
Set the captives free!
Set the captives free!
