

# Rodox, Exodus

Exodus, movement of JAH people  
Exodus, movement of JAH people  
Men and people will fight ya down  
When ya see JAH light  
Let me tell you if you&#039;re not wrong  
Everything is alright  
Through the roads of creation  
We&#039;re the generation  
Who trod through great tribulation  
Exodus, movement of JAH people  
Exodus, movement of JAH people  
Open your eyes and look within  
Are you satisfied with the life  
You&#039;re living  
We know where we&#039;re going  
We know where we&#039;re from  
We&#039;re leaving babylon  
We&#039;re going to our father&#039;s land  
Exodus, movement of JAH people  
movement of JAH  
movement of JAH  
movement of JAH  
movement of JAH people
