

Roger Clyne & The Peacemakers, I Do

Bring your friends, honey, rain or shine
Take anything you want now the World is mine
And I'm giving away everything I stole
Cause Baby, I do love Rock and Roll

What do I want, what do I need?
There's a mighty fine line between wealth and greed
But I got a good price when I sold my soul
'Cause Baby, I do love Rock and Roll
Baby, I do love Rock and Roll

I do
Baby, I do
I do love

I do
Baby, I do
I do love

Build high your wall, now do your best
Gimme another unbreakable thing to test
We'll leave em sifting through the ashes for a glow
'Cause Baby, I do love Rock and Roll
Baby, I do love Rock and Roll

Yeah, sugar, don't it get you high?
Let the rain fall down let your rivers overflow
Jump right in now, the water's fine
And it ain't too deep, you know

Baby, I do love Rock and Roll
Baby, I do love Rock and Roll

Was that another decade come and gone?!
Hey you kids, get off of my lawn!!
Yeah, the youth these days is out of control
But, baby I do love Rock and Roll
Baby, I do love Rock and Roll
Baby, I do love Rock and Roll

I do
Yes, I do
I do Love

I do
Yes, Yeah I do
I do Love

I do
Yes, I do
I do Love
