As cold as it seems
When truth brings you heartache
It's so hard to believe
When love hits the wall
Love is
My faith in you
When it could have ended
And your trust in me

Love is
Everything I need to live
Love is
Everything that we forgive
Love is
Every crime of passion
That's what love is

Where would I go
What would I do
What would it mean
To meet a perfect stranger
Why do we hurt
Who draws the line
When do we learn to look inside
What love is

So many years
You can't take for granted
You can't take away
All the things you are

Together so long
I know where my heart is
Somewhere in me (oh yes)
I'll find a way to show

Love is
Every lesson we have learned
Love is
Every soft unspoken word
Love is
Every crime of passion
That's what love is

Where would I go
What would I do
What would it mean
To meet a perfect stranger
Why do we hurt
Who draws the line
When do we learn to look inside

Everything I need to live
Love is
Everything that we forgive
Love is
Every crime of passion
That's what love is

Love is
Every lesson we have learned
Love is
Every soft unspoken word
Love is
Every crime of passion
That's what love is
