

Roger Hodgson, Say Goodbye

Say goodbye to the old way
Say hello to a new day
Well if you want to linger, a trail a finger
It'll only leave you wondering
Want the future might have been

Say goodbye to the old scene
Say hello to a new dream
You say you want your freedom, but is it freedom
When you leave it all behind you
But your mind just can't let go? oh no

When the news is known and you hear those cries
Then waves of sadness will fill your eyes
You're alone as an island
Alone as a man can be

Say goodbye to the old days
Say hello to a new ways
Well if you want to linger, trail a finger
Just remember what was told you
out the way it's going to be, you'll see..

You're alone as an island
Alone as a man must be

Say goodbye to the old way
Say hello to a new day
Well if you want your freedom
Oh where's your freedom?
On the road that lies before you
That is all you need to know, let go...
