

# Roger Miller, Love Is Not For Me

I like the women I like to hold them tight  
Kiss 'em squeeze 'em tease 'em that's alright  
But I'll never marry no siree I'm for love but love is not for me

Now I like to romp'n stomp'n cut up loud and pick out the pretty faces in the crowd  
But I'll never marry no siree I'm for love but love is not for me  
I'm havin' too much fun doing like I'm done living on the run playing the field  
And tryin' to stay away from any permanent type of deal  
Yeah I like the women...  
[ pa pa pa pa ]  
I'm havin' too much fun doing like I'm done...
