

Roger Miller, That's Why I Love You Like I Do

This is a story bout a boy that loved a girl loved her very much
In fact he loved her so much he couldn't seem to find exact words
To tell her exactly how much he did love her
Oh he tried several times but so anytime he tried
The words always came out backwards came out some like this
Bright moon tray fiddle run by through around and up to
That's why I love you so much that's why I love you like I do
Bluebird a wingin' pearley foe some say chully-lum say so
That's why I love you so much that's why I love you like I do
In other words there are no words to say how much I care
And every time I start to tell you words come to my throat but to stick there
Bright moon tray fiddle run by through around and up to
That's why I love you so much that's why I love you like I do

In other words there are no words...
