

# Roger Miret And The Disasters, Boys Will Be Boys

A riot boy I just don't give a shit  
Wasting your time I ain't listening  
PC punks fuck off! Shove your fuckin dove  
Evil is the bastard that's gonna spit in your face

Boots and braces we're out again  
Drank a bit much don't give a damn  
Boys! Boys will be boys  
They will be boys... Oi! Oi!

Fought the law ain't never been sorry  
A rock n roll thug out for glory  
Chaos is my life, violence makes me tick  
Steering up the boys and getting ready for a fight
