Roger Moore, Thank You

I just wanna tell you what I'm thinkin
Someting from the heart from me to you
How I feel inside it's hard to see it
But I want to show my gratitude
Coz there's nothing that I wouldn't do
To try to show my feelings
I just want to tell you face to face
You're the reason I'm here singin
Wanna thank you
For never ever loosin faith
I just wanna thank you
For always tryin' to keep me safe
Coz I just wanna show my thanks and gratitude
You never stopped believin
Wanna thank you
For never ever loosin faith
I sing for you
You're the one who never stop believin
When I thought that everything was trough
You inspiered me to live my dreams and
Understand that they can all come true
Coz there's nothing that I wouldn't do
To try to show my feelings
I just want to tell you face to face
You're the reason I'm here singin
Wanna thank you
For never ever loosin faith
I just wanna thank you
For always tryin' to keep me safe
Coz I just wanna show my thanks and gratitude
You never stopped believin
Wanna thank you
For never ever loosin faith
I sing for you
I just wanna show
That I really know
Who is gonna be there through the highs and lows
This is something I truely believe
You helped me to find what is my desteny
This is how I feel for real
So....
Wanna thank you
For never ever loosin faith
I just wanna thank you
For always tryin' to keep me safe
So I just wanna show my thanks and gratitude
You never stopped believin
Wanna thank you
For never ever loosin faith
Oh yeah.....
Thank you
For never ever loosin' faith
I just wanna thank you
For always tryin' to keep me safe
Coz I just wanna show my thanks and gratitude
You never stopped believin'
Wanna thank you
For never ever loosin' faith
Oh yeah....
....Thank you..
