

Roger Taylor, I Cry For You (Love Hope And Confusion)

(Roger Taylor)

I cry
I cry for you
I cry for you
I cry for you
Love me
Tender
Love me
True
Love can always
See you through
I hope you're fine
I hope all's well
Given time
Hope springs eternal
Who finds conclusions
With love hope and confusion

I cry
I cry for you
I cry for you
I cry for you

Life
Has no fun anymore
Time
Is on the run for sure
No place to run anymore
Love hope and confusion
I hope you're fine
I hope all's well
Give 'em hell
Hope springs eternal
Who finds conclusions
With love hope and confusion

I cry
I cry for you
I cry for you
I cry for you

I cry for you
I cry for you
I cry for you

I cry for you
I cry for you
I cry for you

I cry for you
I cry for you
I cry for you
